Subject: - Proposals for celebration of National Technology Day-2018

Please refer to the subject cited above.

Every year national technology day is celebrated across India on 11th May. It was on 11th May 1998, that India achieved a major technological breakthrough by successfully carrying out series of nuclear tests at Pokhran. Also the first, indigenous aircraft "Hansa-3" was tested on this day, besides India has also performed successful test firing of the Trishul missile on the same day.

In this regard proposals are invited for celebration of National Technology Day (NTD) on 11th May 2018 from the technical institution such as engineering college, polytechnic, industrial training institution and university department of engineering situated in Haryana state. The detailed scheme along-with the application format and the copy of the advertisement released in newspaper can be downloaded from the website of the office i.e. <http://www.dstharyana.org/html/whatsnew.htm>. The copy of the advertisement released in the newspaper is enclosed herewith for your reference.

It is therefore, requested to give wide publicity to this scheme and forward the same to all the engineering colleges and polytechnics with the directions to send the proposals in the prescribed format within one month from the date of publication i.e. upto 06.04.2018.
